T-TIME WITH THE PRESIDENT

Well, it's time to get those Model T's out of the barn and on the road!!! Our first drive of the year will take place on April 26, 2008, with a breakfast at Cracker Barrel restaurant in Flagstaff and a leisurely drive through Flagstaff. If you are trailering your Model T to Flagstaff, you can leave your rig at the Furstnows' or at Marilyn Petersen's and then drive to Cracker Barrel. After the drive, we will go to Marilyn Petersen's home and load up in the motorhomes, which will take us out north US Highway 89 to our "Adopted Highway", so we can complete our annual "highway cleanup". The highway cleanup has been an ongoing project for the past three years and is dedicated to one of our members, the late Jerry Petersen. Gary Selig, our highway cleanup chairman, will have safety vests and trash bags from the state, so all you need to bring is a pair of gloves and good walking shoes. We will have water and drinks in the motorhomes, and of course, the motorhomes have "facilities" available!! I know every time we complete a highway cleanup, we all feel good about what we have accomplished and are proud to have helped make our highway more beautiful. Please don't miss this wonderful day!!

Our May tour will be at Art Wimmer's shop in Cottonwood. We will have a club meeting and a tour around the Verde Valley, and should enjoy some warm weather. Look for more information about this tour in next month's T-Time.

Kathy and I, Dave and Jeannie Chance, Gary and Marti Hays, and Marilyn Petersen attended the Chickasha Swap Meet on March 20-22, 2008. The drive back to Chickasha was filled with high winds and storms (we followed the storms that flooded Missouri and Arkansas), but we arrived safely at the swap meet.

The swap meet was wonderful, and Gary sold many of the items he brought and I sold some speedometers and over 70 new speedometer books! Dave Chance found a beautiful set of Houck wire wheels, so everyone had a successful meet. Kathy and I are going to the Bakersfield Swap Meet on April 11-12, 2008. The Bakersfield meet is another "pre-1945" meet that is smaller than Chickasha, but is a very nice meet. John and Montana Renkema also plan to attend the meet.

Finally, we are beginning to get the word out about the Canyonlands III tour for 2009. I'm constantly receiving inquiries about the tour, so we decided to put some information about the tour on our website. Go to www.canyoncountrymodeltclub.com to check out the information about the tour and about our club's activities. I hope to see everyone on April 26, 2008.

Russ
