T-TIME WITH THE PRESIDENT

A big "thank you" to all who attended the first meeting of the year. For those of you who didn't attend the club meeting on March 13th at the Furstnows', you missed out on a lot of fun and good food. Twenty-four people attended the meeting, and we made the preliminary plans for the 2010 club events. Be sure to check the calendar, as you won't want to miss any of the fun. Anyone who would like to volunteer for upcoming events should contact Kathy.

Bill Harrison brought club magnet signs for our cars. If anyone would like to order signs, contact Marilyn. They are just like the ones some club members have on their cars. Make sure you order right away, so Bill can have them made.

Kathy, as usual, put on quite a feast. We had some guests for lunch: some friends of Harold and Karen and also the McReynolds boys. They were welcomed by all.

After lunch, the "boys" all went to the barn for the christening of Russ's Mustang "Lee Tate". First time I have seen a car christened with Budweiser. I am sure Tate would have approved!!

After the "celebration", I gave a demonstration on how to put wood spokes into a fellow. If anyone has any

questions or would like to see the demonstration, I would gladly do it again. Just let me know.

Russ, Kathy, Marilyn, Gary, Marti, Montana and I made the trip to the Chickasha Swap Meet. We experienced rain, wind, snow, tire problems, fuel pump problems, but still had a great time. Russ went on the hunt for parts that I couldn't live without. He sure knows how to spend my money! Thanks Russ. They were all great finds!!! He even found some beautiful bud vases that he and Montana just had to have.

Some of us are going to the Bakersfield Swap Meet. If anyone needs parts be sure to let someone know, so we can look for them for you. Or if you haven't been there, it is a real good meet. We have lots of fun.

Don't forget the highway cleanup on April 10. Contact Gary Selig for information. Hope to see you there.

John

T-TIME MEETING MINUTES

Saturday, 3/13/10

The first meeting of 2010 was held at the home of the Furstnows. Thanks to Russ and Kathy for being such excellent hosts. President John Renkema conducted the meeting.

Members attending: John and Montana Renkema, Russ and Kathy Furstnow, Gary and Marti Hays, Russ and Ashlee Furstnow and family, Steve François, Jerry Jordan, Harold and Karen Crutcher, Brent Hulls, Gilbert and Tory Archuleta, Dick and Joyce Erfert, Gary Selig, Bill Harrison, George Lauman, Marilyn Petersen. **Guests attending:** John and Troy McReynolds

Treasury Report:

\$ 821.73 savings

\$1224.00 checking

Remaining Canyonlands III funds will be transferred to CCMTC and reserved in a separate account as a special tour fund.

Joys and Concerns:

Montana reported that March birthday congratulations were sent to Art Wimmer, Gary Hays, Jim Ellis and Rose Chance. Spencer Furstnow was congratulated for remaining cancer free for one year, and Karen Crutcher extended thanks to members for support of her daughter's bridal shower.

Old Business:

John and Montana Renkema attended the February MTFCA annual meeting and Russ Furstnow presented a speedometer forum at the meeting. John shared information of interest with us, and offered to share the technical info gathered there with our members.

New Business:

Orange County Model T Club has created a quilt displaying the logos from various clubs. We are looking into furnishing a Canyon Country Model T Club block for the quilt.

Bill brought six large magnetic signs displaying the CCMTC logo, which immediately sold at cost for \$33 each. Twelve more signs have been ordered due to the interest by members. Signs can be purchased by calling or e-mailing Marilyn Petersen.

Lunch was served following the meeting, after which many of the members gathered in the barn. Russ had acquired a 1968 California Special Mustang from Tate McReynolds, a member of our club who passed away last June. This

Mustang progressed from life in a wrecking yard to Russ's barn, where it was beautifully restored by Russ and affectionately named "Lee Tate". Restoration was completed just before the meeting, and Tate's

sons John and Troy joined the club for the christening. This car earned a "gold award" at a large Mustang show in Tucson last Saturday, March 27.

John Renkema then demonstrated the technique of putting wood spokes into a fellow. He also generously offered to do the demo again for anyone who missed the meeting or to answer questions regarding the procedure.
