T-TIME WITH THE PRESIDENT

Hi Everybody,

It's time to fire up your T for the last tour of the year, and your president has a great tour laid out for the Sedona area and part of the Verde Valley.

We will meet at Art Wimmer's shop in Camp Verde at 8 a.m. (or as close as you can make it) on Saturday, November 17. We plan to go to Camp Verde to the Fort Verde Museum, Montezuma Castle, and Montezuma Well. Then we'll drive on to Sedona for lunch in the village and visit uptown Sedona, Airport Lookout, Soldier Pass Road, Thunder Mountain Road, Upper Loop Road, Page Springs Road and wind up the tour back at Art's shop. This tour is laid out to see most of the beautiful vistas in the Sedona-Verde Valley area, so you don't want to miss it!

Please call me at (928)282-5705 and let me know when you are planning to be there. Plan to arrive at Art's on Friday afternoon if you're trailering and/or motorhoming - he has room to park and is expecting you.

We will have a brief general meeting at Art's after the tour. We're planning on good weather, so it will be a great tour. See you all on November 17!

Bill

Gary and Marti Hays have moved into their new home in Chino Valley. Gary has already drawn up the plans and is beginning to build his shop, and the Victorian style of the home has Marti on Cloud 9! Members who attended the Prescott Swap Meet had the opportunity to visit the home and we were all impressed with the quality of the home's construction and the beauty of the area. (Get that shop built, Gary - we want you to start building Model T engines!!)

Bill Harrison's 1926 roadster pickup is running well following some extensive repairs, so we are anxious to see it on the tours.

Congratulations to our Winners!

Billy and June Bridge and granddaughter Faith. Faith's mini Model T Ford won the President's Award, and grandparents Billy and June took second place with their 1923 touring at the Sedona Car and Air Show on September 22. Faith also won first place in the old car division of the Camp Verde parade on October 13, and grandparents Billy and June took second.

Russ and Kathy Furstnow won a first place award for their 1913 touring and also first place for the 1966 Shelby at the Sedona Car and Air Show on September 22.

George Lauman won third place for the most historically correct vehicle in the Camp Verde parade on October 13, and first place in the July 4 Lake Montezuma parade.

Special thanks to those members who hosted meetings and our wonderful tours during the 2007 touring season: Art and Tommie Wimmer, Gene and Reet Mitchell, Gary and Marti Hays, Russ and Kathy Furstnow, Marilyn Petersen, and Bill Harrison. We appreciate the effort and enthusiasm of these people as well as all the members who joined us for the events. What fun, and what a wonderful group of friends!!
